## Independent Auditor's Report

---

### To the Members of The Temagami Community Foundation

We have audited the accompanying financial statements of The Temagami Community Foundation which comprise the statement of financial position as at December 31, 2014 and the statements of operations and changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### Basis for Qualified Opinion

In common with many charitable organizations, The Temagami Community Foundation derives revenue from fundraising and donations the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Foundation. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising and donations revenue, excess of revenues over expenses and cash flows from operations for the years ended December 31, 2014 and 2013, current assets as at December 31, 2014 and 2013 and fund balances as at January 1 and December 31 for both the 2014 and 2013 years. Our audit opinion on the financial statements for the year ended December 31, 2013 was modified accordingly because of the possible effect of this limitation in scope.

### Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of The Temagami Community Foundation as at December 31, 2014 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

# The Temagami Community Foundation Notes to Financial Statements

December 31, 2014

---

## 1. Significant Accounting Policies

### Nature and Purpose of Organization

The Temagami Community Foundation (the "Foundation") is a public foundation created to promote the well-being of members of the Temagami community by supporting cultural, artistic and educational activities; responsible stewardship of the natural heritage; sustainable community economic development and other charitable projects. The Foundation is incorporated without share capital under the laws of the Canada Corporations Act and is exempt from income taxes under Section 149.1 of the Income Tax Act.

### Basis of Accounting

The financial statements have been prepared using Canadian accounting standards for not-for-profit organizations.

### Fund Accounting

The Foundation follows the restricted fund method of accounting for contributions.

The Operating Fund comprises unrestricted resources available for immediate purposes at the discretion of the Board.

The Externally Restricted Fund comprises amounts that are restricted by the donor to be expended for a specified purpose.

### Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand, bank balances and investments with a maturity of ninety days or less from the date of acquisition.

# The Temagami Community Foundation

## Notes to Financial Statements

December 31, 2014

---

### 1. Significant Accounting Policies (continued)

#### Financial Instruments

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, equities traded in an active market are reported at fair value, with any unrealized gains and losses reported in operations, other than financial instruments related to restricted funds. In addition, all bonds and guaranteed investment certificates have been designated to be in the fair value category, with gains and losses relating to the restricted funds recorded directly in the restricted fund. All other financial instruments are reported at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items remeasured at fair value at each statement of financial position date and charged to the financial instrument for those measured at amortized cost.

#### Capital Assets

Capital assets are charged to operations when acquired.

#### Revenue Recognition

The Foundation follows the restricted fund method of accounting for contributions. Externally restricted contributions and gains (losses) on the sale of the investments are recorded as revenue in the Externally Restricted Fund.

Unrestricted contributions are recognized as revenue in the Operating Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Endowment contributions are recognized as revenue of the applicable Endowment Fund in the current period.

Restricted investment income is recognized as revenue in the applicable restricted fund. Restricted investment income that must be maintained as an endowment is recognized in the applicable restricted fund. Unrestricted investment income is recognized as revenue when earned in the operating fund.

Pledges to donate funds are not included in revenue until the funds are received.

## Notes to Financial Statements

December 31, 2014

---

### 1. Significant Accounting Policies (continued)

#### Contributed Materials and Services

The work of the Foundation is dependent on the voluntary services of many members and others. Since these services are not normally purchased by the Foundation and because of the difficulty of determining their fair value, contributed services are not recognized in these financial statements. If the fair value of contributed materials can be reasonably determined these are recorded as donations of the current period.

#### Use of Estimates

The preparation of the financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates. These estimates are periodically reviewed and, as adjustments become necessary, they are reported in the statement of operations in the year in which they become known.

Interest and bank charges	689	1,573
Conference attendance	250	3,533
	<u>\$ 15,158</u>	<u>\$ 21,621</u>

---

### 7. Financial Instrument Risk

#### Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The organization is exposed to credit risk resulting from the possibility that a customer or counterparty to a financial instrument defaults on their financial obligations; if there is a concentration of transactions carried out with the same counterparty; or of financial obligations which have similar economic characteristics such that they could be similarly affected by changes in economic conditions. The organization's financial instruments that are exposed to concentrations of credit risk relate primarily to its accounts receivable from companies that operate in the same industry. The organization provides credit to its clients in the normal course of its operations. The organization is also exposed to credit risk arising from its notes receivable.

#### Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Foundation is exposed to interest rate risk arising from the possibility that changes in interest rates will affect the value of fixed income denominated investments.

#### Market Risk

The Foundation is exposed to fluctuations in equity markets on its short-term investments.

There have been no changes to the Foundation's financial instrument risk exposure from the prior year.
