

Temagami Community Foundation

26th Annual General Meeting
Saturday June 20, 2026 1:00pm
In Train Station (Raven's Nest) & via Zoom

THE FAMILIES OF THE TEMAGAMI FIRST
NATION HAVE OCCUPIED THE LANDS AND
WATERS IN THE TEMAGAMI AREA AS
STEWARDS FOR THOUSANDS OF YEARS

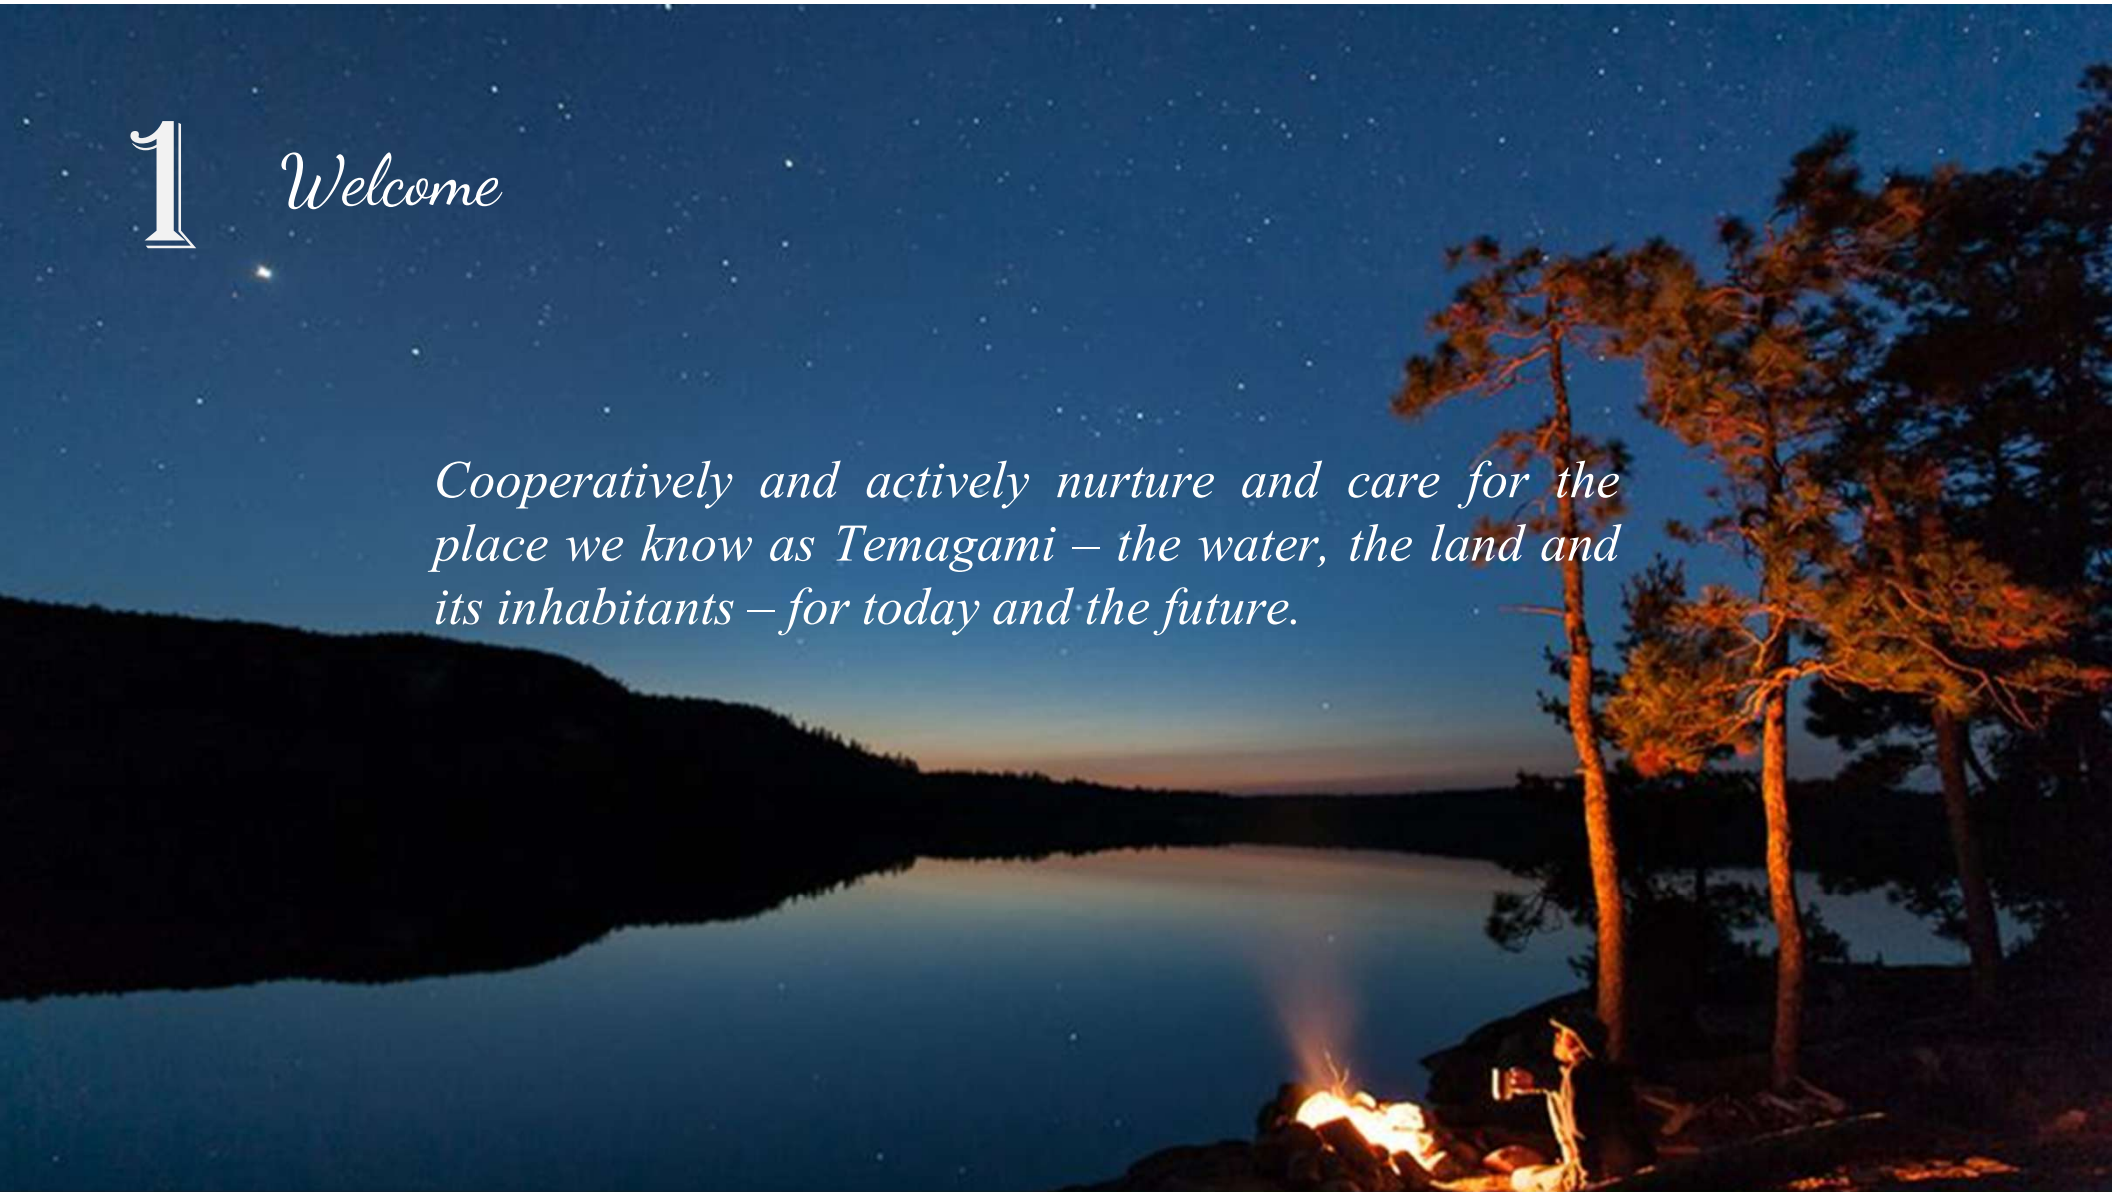

[HTTPS://WWW.TEMAGAMIFIRSTNATION.CA/ABOUT-US/](https://www.temagamifirstnation.ca/about-us/)

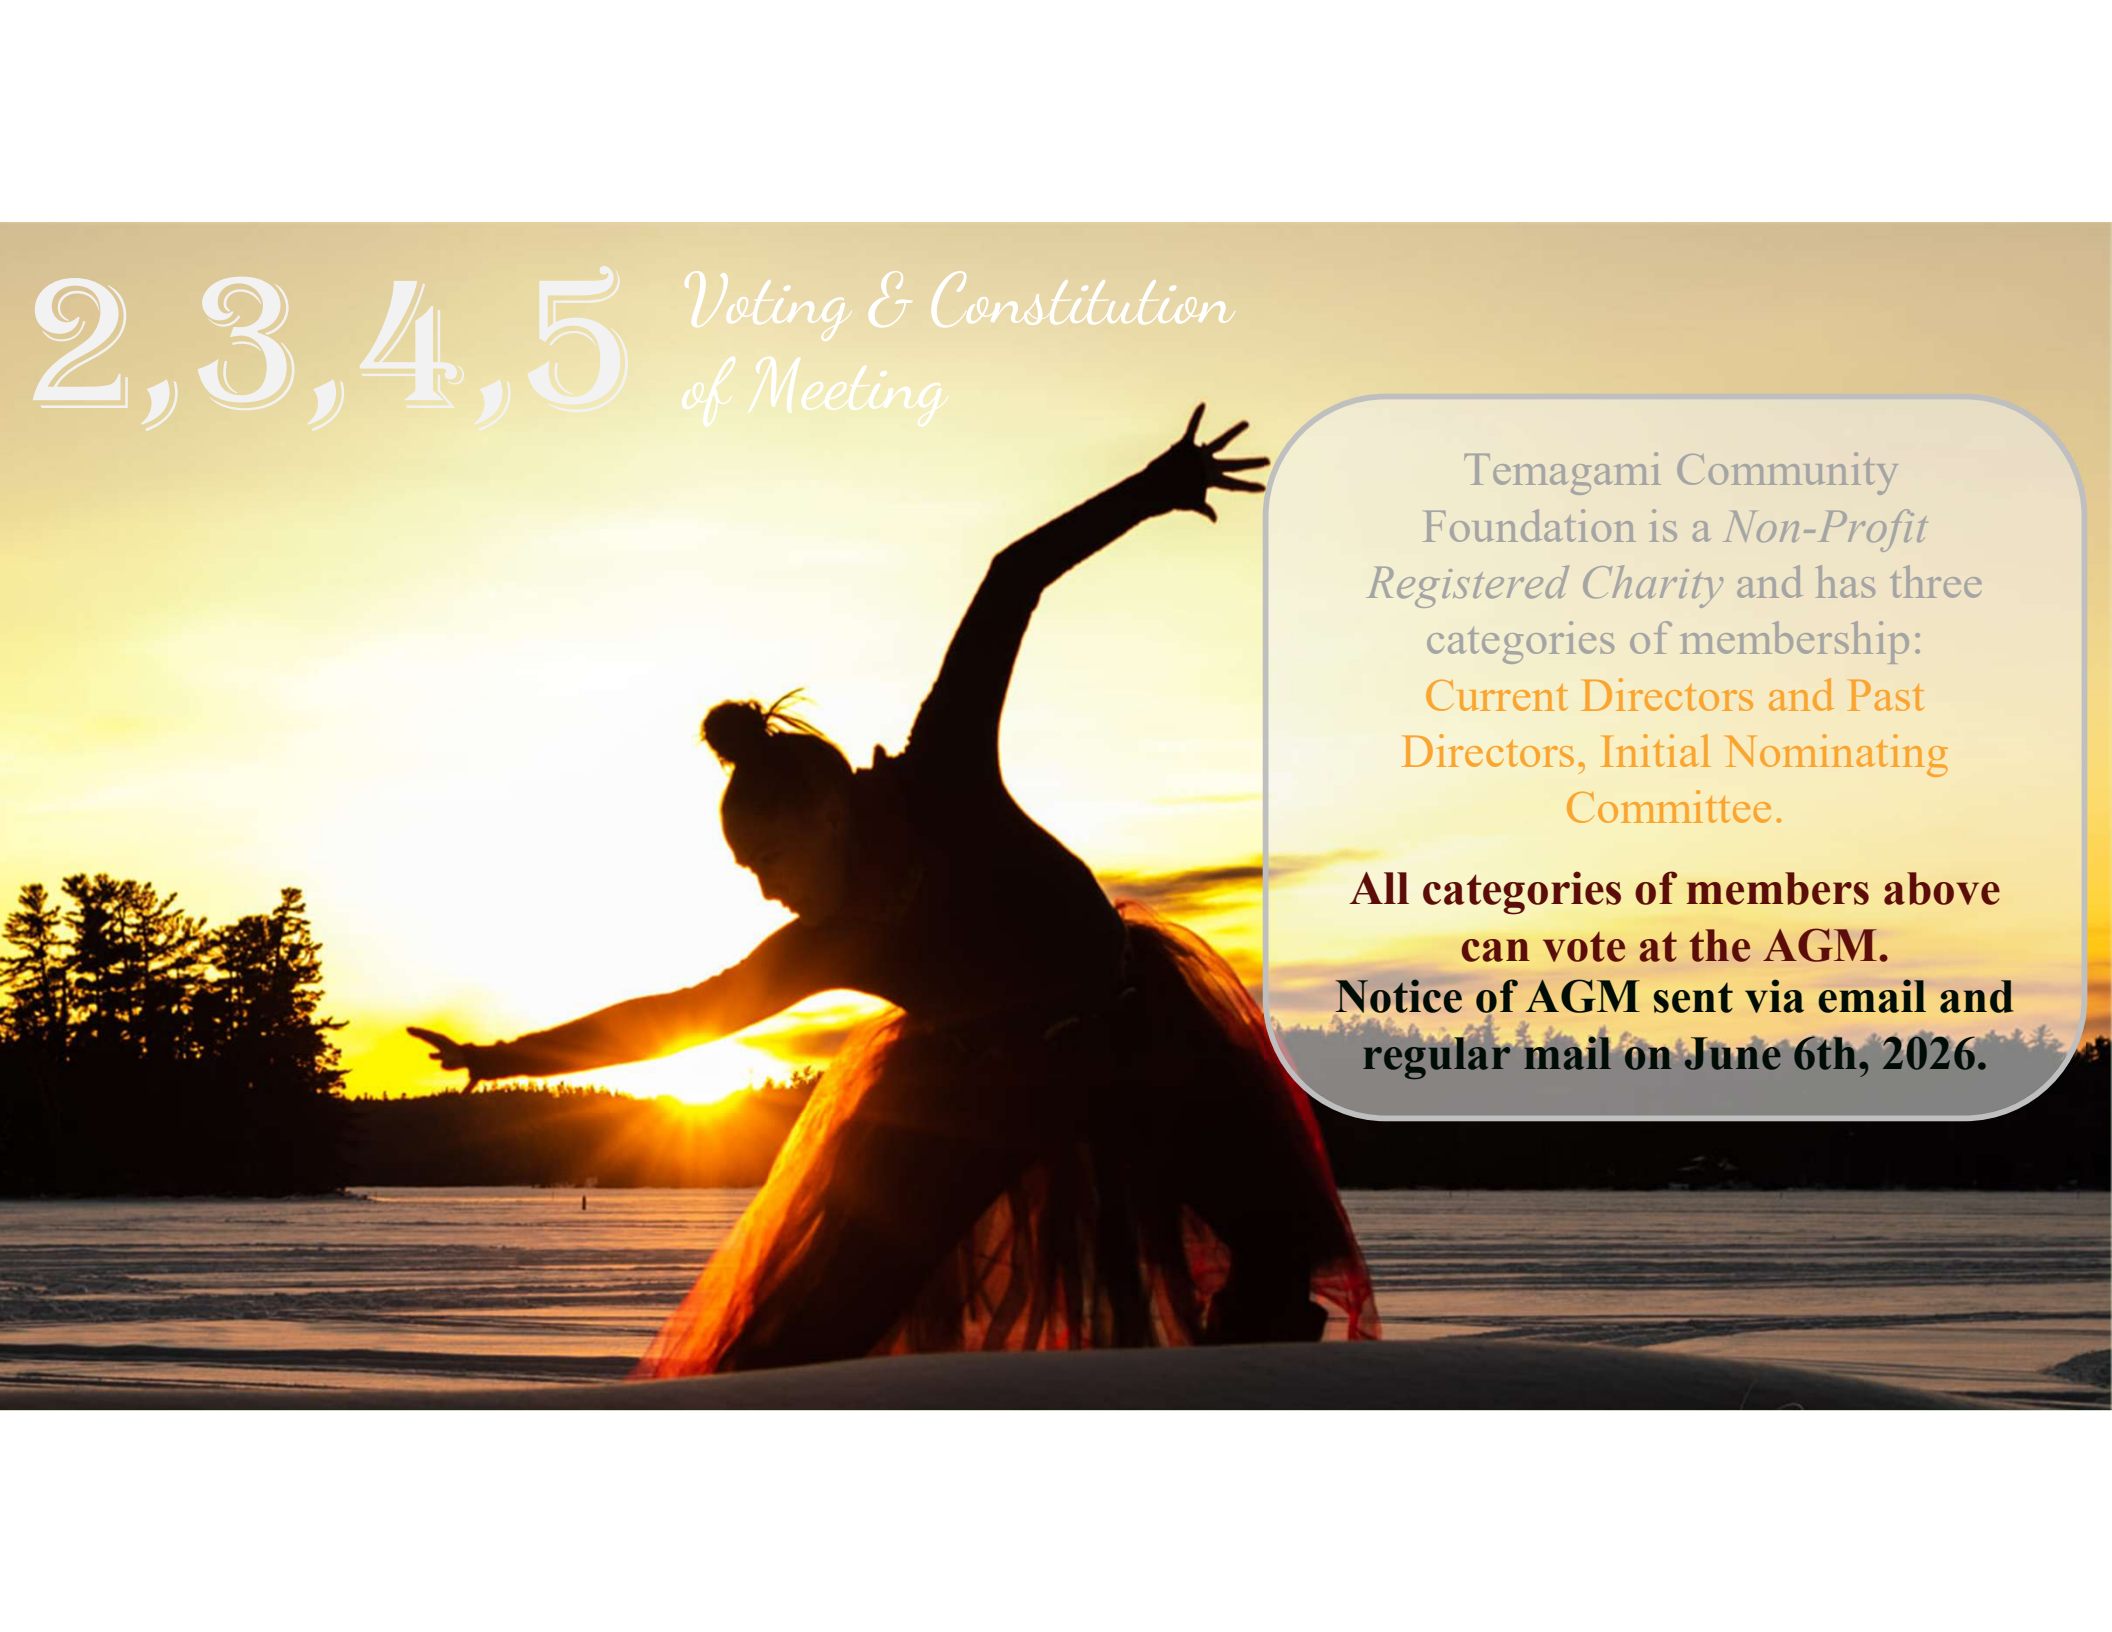

THE TEMAGAMI COMMUNITY FOUNDATION
OFFERS OUR GRATITUDE AND RESPECT

1 *Welcome*

Cooperatively and actively nurture and care for the place we know as Temagami – the water, the land and its inhabitants – for today and the future.

A person in a red dress is captured in a dynamic dance pose on a frozen lake. The sun is low on the horizon, creating a warm, golden glow and silhouetting the dancer and the trees in the background. The dancer's arms are extended, and their dress flows around them.

2,3,4,5 *Voting & Constitution of Meeting*

Temagami Community Foundation is a *Non-Profit Registered Charity* and has three categories of membership:
Current Directors and Past Directors, Initial Nominating Committee.

**All categories of members above can vote at the AGM.

3. **Constitution of Meeting (Bill Kitts)**

Temagami Community Foundation is a Non-Profit Registered Charity and has three categories of membership: Original Nominating Committee, Current Directors, and Past Directors. All the categories of members can vote at the AGM.

The background of the slide is a photograph of a person fishing at sunset. The person is in silhouette on the left, wearing a cap and holding a fishing rod that extends diagonally across the frame. The sky is a mix of blue and orange, and the water reflects the sunset colors. A semi-transparent rounded rectangle contains the text.

*Motion to approve the Minutes from the June 21st, 2025 AGM
that were circulated prior to the meeting.*

Moved By:

Seconded By:

*LET IT BE RESOLVED THAT: The minutes for the Annual
General Meeting of the members of the Temagami
Community Foundation, held June 21st, 2025 , circulated in
advance of this meeting, and available at the meeting, be
approved.*

7 *Remarks from the Co-Chairs*

Sarah-Jane Pearce, Co-Chair
Temagami Community Foundation

Janet Clermont, Co-Chair
Temagami Community Foundation

The new Administrator/Book keeper for the Foundation:

Jacqueline Mota

Jacqueline Mota is a proud Northern Ontario resident who is passionate about community, family, and the place she now calls home. Originally from Windsor, Jacqueline and her family made the life-changing decision to move north six years ago after falling in love with Temagami. The connection quickly became part of their story; Jacqueline and her husband were engaged at the Temagami Fire Tower and married on crown land down Red Squirrel Road. They later named their daughter, Temma, after Temagami in honour of the place that means so much to their family. Now settling into her role with the foundation, Jacqueline is excited to contribute and support the local community in meaningful ways. She is also the co-owner of Up North Heating and Air Conditioning Ltd., where she and her husband proudly serve Northern Ontario.

DONATE

Circular elements (pill-shaped CTA, circles and rounded corners) relate to the logo's circular compass shape, and celebrate the circle as a profound and sacred symbol in indigenous culture

Inspiration

The screenshot shows the top of the International Rescue Committee (IRC) website. The header includes the IRC logo, a navigation bar with links like 'Crisis watch: Emergency Watchlist highlights world's worst crises', 'Log in', 'Careers', 'Volunteer', and 'U.S./Global'. Below the header is a secondary navigation bar with 'WHO WE ARE', 'WHERE WE WORK', 'WHAT WE DO', 'HOW TO HELP', and 'LATEST'. A search bar and a 'Donate' button are also present. The main content area features a large image of a young girl in a blue and white striped shirt and a black headscarf, standing in a debris-strewn area. To the left of the image, the text reads: 'Match extended: Last chance to double your impact'. Below this, a paragraph states: 'Children in Gaza are hungry as families remain displaced and supplies are scarce. The IRC is delivering uninterrupted, lifesaving nutrition, water, and critical aid across Gaza and the West Bank right where it's needed most. Give now and your donation will be matched—but only for a few more days.' At the bottom of this section is a yellow button that says 'Match Your Gift'.

Members: Janet Clermont (Chair), Carol Reeder, Will Goodman, Gordon McCart, Bill Kitts

One current director has reached the end of their terms on the Board of Directors of the Temagami Community Foundation.

Jess Lewis has completed her term.

Jess Lewis has served on the Board as a Director for 9 YEARS; and during this time served as Chair of Communications for some time and as an Events Committee Member;

Jess spent the first five years of her life living year-round on Lake Temagami before moving to the United States. She now resides in Columbia, Missouri, with her two children, Abel and Hazel. Each summer, Jess and her family return to Lake Temagami, where she serves as Director of Camp Wabun, founded in 1933 by her great-grandfather and seven other teachers. Over nine decades later, Camp Wabun continues to connect young people with the transformative power of Temagami through wilderness canoe travel. Since joining the Temagami Community Foundation board, Jess has served on the Events Committee and as Chair of the Communications Committee. 2026 will mark her tenth and final year as a board member, but she looks forward to continuing to support the Foundation, its board, staff, members, and the broader Temagami community and the excellent work that they do for the land, for the water, for each other.

*Motion to appoint Gordon McCart as a
Director for a 3-year term
(resume & inquiry next slide)*

Gordon McCart

39 O'Connor Drive, Temagami, Ontario P0H 2H0 | 705-569-3320 |
gordonmccart@gmail.com

Experience

25 years at Oracle Corporation which includes 5 years at Sun Microsystems which was acquired by Oracle in 2010 and 5 years at StorageTek which was acquired by Sun in 2005.

Oracle Corporation

Currently hold the position of Enterprise Architect dealing with leading complex projects involving individuals with diverse are customer, Oracle, multiple partners and organizations within ti Initial responsibility at Oracle was as a member of the Enterpri group of specialists with wide areas of expertise that frequentl business and technical solutions from concept to reality.

Received multiple awards and recognitions for varied projects

Sun Microsystems 2005 – 2010

National Support for Sun Microsystems dealing with significan occasionally engaging with sales on complex projects. Primar to a lesser degree the United States with some travel includin France on request.

Received several awards and recognitions included a trip to t Vancouver.

StorageTek 1999 -2005

National Support for StorageTek dealing with Customers in Ca States. National Support spanned pre and post sales which in interaction and frequently leading the projects.

Received several awards and recognitions including trips to m reserved for top sales executives.

Canadian Depository for Securities (CDS) 198 1999

Recruited to lead the technical team to bring all technical oper outsourced location. Worked with the project managers to plai team that designed, verified and deployed all aspects of the in

Gordon McCart

estimated 5 year migration in 12 months. Liaised with senior management including assisting in translating technology to business, training our internal and external audit teams, documentation and training of our security teams and discussions with the financial sector. In my second stint at CDS I lead the network engineering team and developed several projects directed by the CEO as well as building a then new technical architecture for 3 tiered compute.

Citadel General Insurance 1992 – 1995

Managed the IT operations department. Was responsible for moving Citadel from a mainframe operation to a client-server based one. Training all areas of the company on a new operating technology and by design replacing my own job function. After completing the transition I returned to CDS.

Royal Insurance 1981 -1986

Began as a co-op student alternating 4 months work and 4 months university then continued as a full time employee. I was part of the system programmer team throughout my time and was one of the leads on the first transition to a fully online application as well as being part of the disaster recovery team. I also served as the vice-president of the employee association.

Current Volunteering

I am currently the secretary treasurer of TAFIP (Temagami Area Fish Involvement Program). I am responsible for the day to day operations.

I recently joined the legion (branch 408 Temagami) and am assuming the treasurer position.

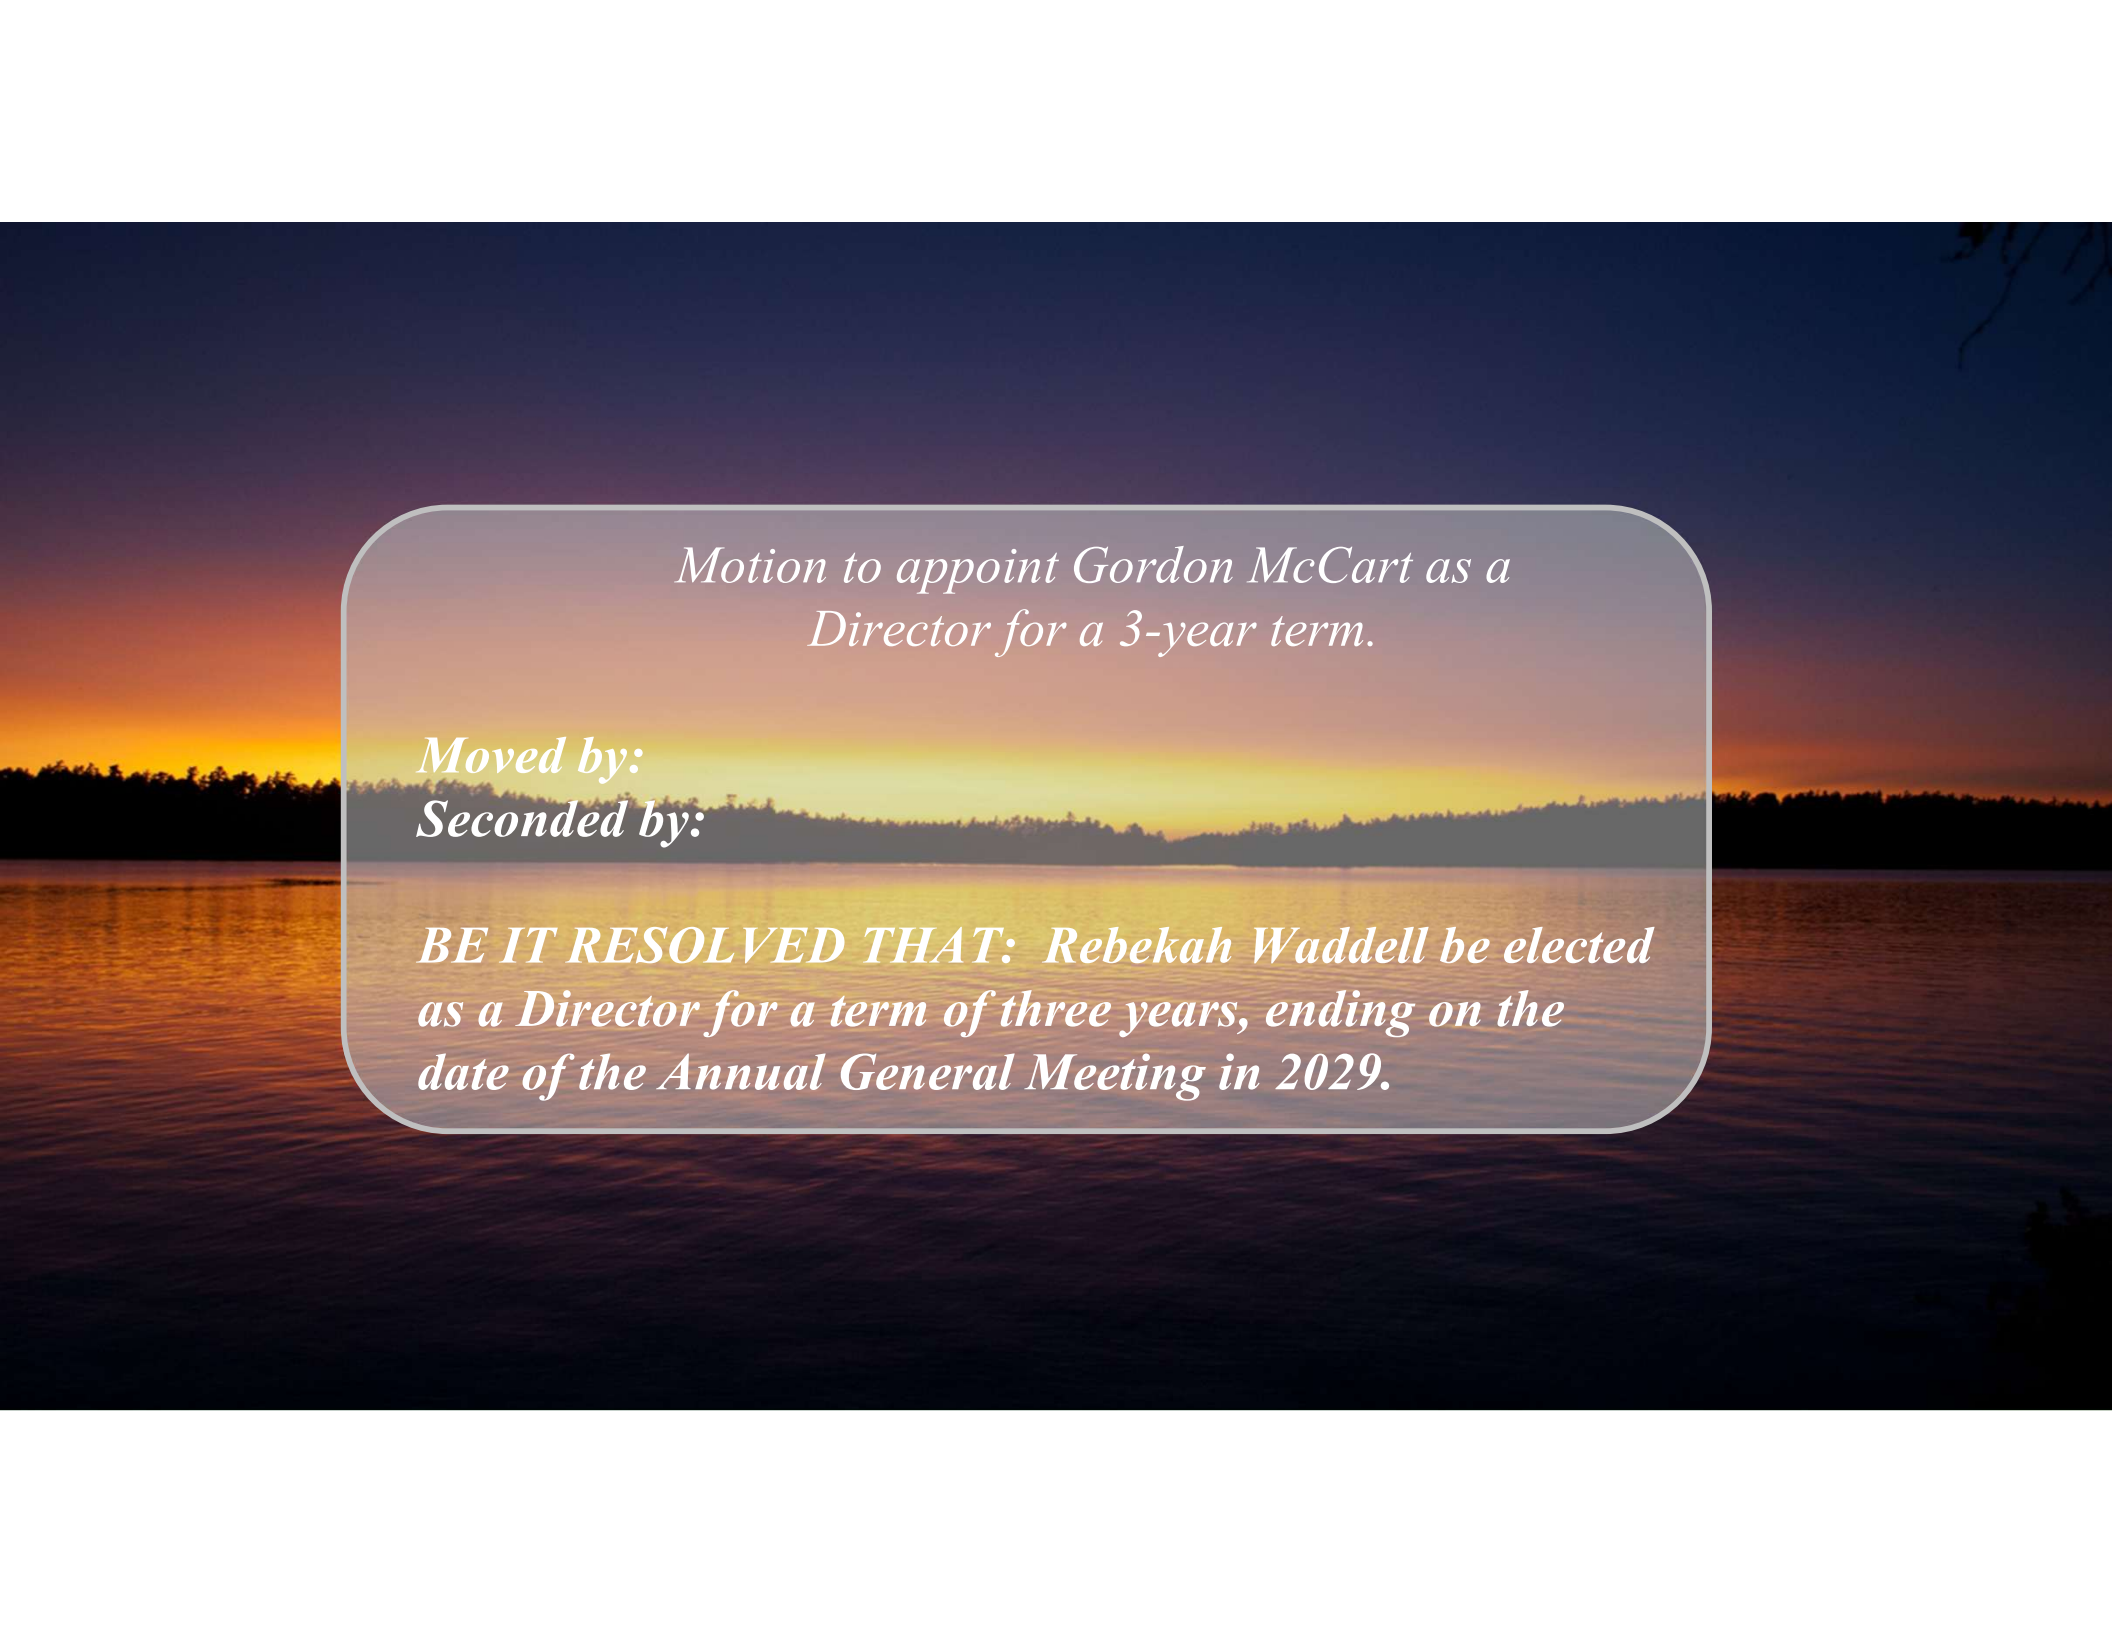

Education

I attended the University of Waterloo, Honours Co-op Computer Science program. After starting work full time I took several courses at York University and continue training including multiple certifications.

Security

My job responsibilities have at times required security clearances and other checks. They have included Federal secret level, Ontario CPIC level 3, RCMP background checks and an oath of secrecy.

Gord is a valued member of the Temagami Community Foundation's Board of Directors. His professional experience, community leadership, and commitment to strengthening the Temagami region play an important role in guiding the Foundation's mission and long-term vision.

- CON BRIO Trophy

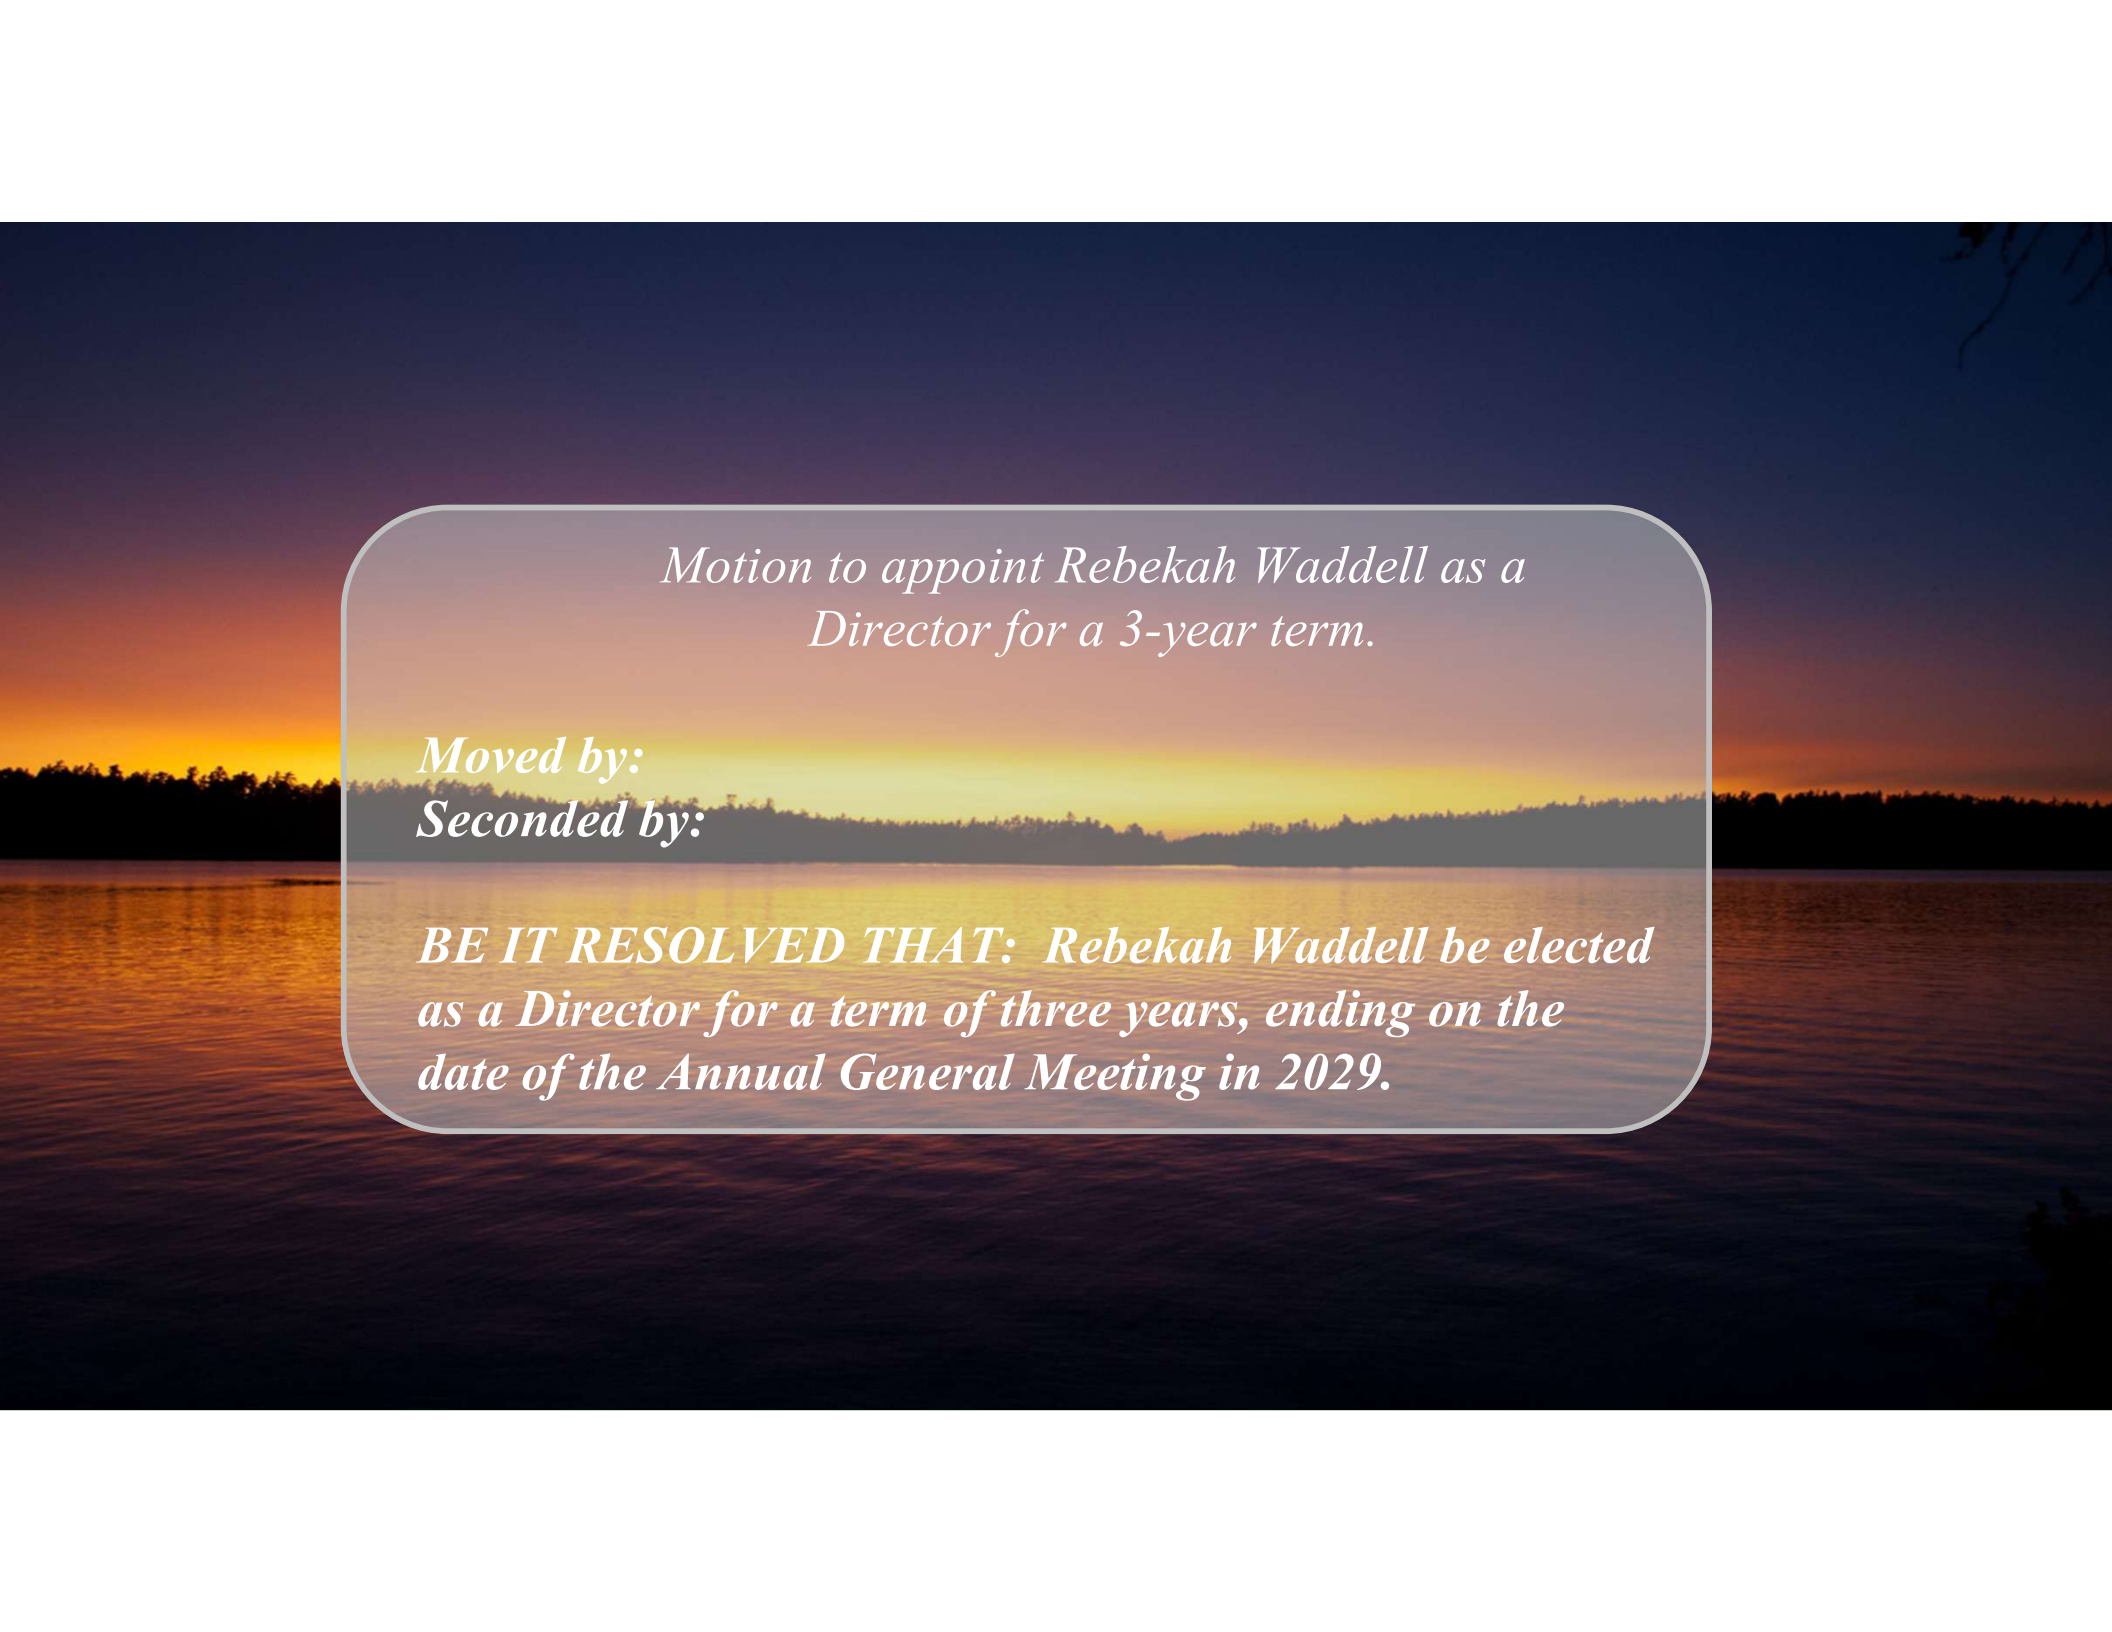

Languages

- English - Fluent
- French - Basic

Dear Temagami Community Foundation Board of Directors,

My name is Rebekah Waddell. I am a recent Carleton University Bachelor of Music Honours graduate, where I studied trumpet performance. I am passionate about music, event production, community involvement, and of course the beautiful town and lake of Temagami. I am forever connected to our towns up North, as I have a longstanding familial connection to Temagami, through my dad who grew up on the lake, and to Haileybury, my mom's hometown. I am a seasonal resident, with a family cottage on the lake, spending as much of the summer as I can in Temagami every year. With over four years of event production experience, I am now working at the Ottawa Bluesfest music festival as the Operations Assistant! I have remained involved with the Canadian Paralympic Committee as the administrator for their Women in Parasport Americas network, and I have also recently begun shadowing as a camera technician with Carleton University's production team, filming music and corporate style events. Outside of work, I perform and record music regularly in the Ottawa area with a range of musicians in different styles and genres.

I am passionate, hardworking, and extremely dedicated to all that I take on; and I would be honoured to join you on the board of directors in supporting the beautiful land and water, history, culture, and people of Temagami.

*Motion to appoint Rebekah Waddell as a
Director for a 3-year term.*

Moved by:

Seconded by:

***BE IT RESOLVED THAT:** Rebekah Waddell be elected
as a Director for a term of three years, ending on the
date of the Annual General Meeting in 2029.*

**ECHO MAKER
BOOK LAUNCH EVENT
2025**

Author: James Raffan
Venue: Bunny Miller Theatre
Date: October 23rd, 2025

Victoria and Richard Grant approached the Temagami Community Foundation to sponsor a project they had long envisioned: a book chronicling Craig Macdonald and his creation of the Historical Map of Temagami, which documents the lakes, trails, and portages of the Teme-Augama Anishnabai. The Grants generously funded the project through a donation to the Foundation. As a result, the Foundation owns the manuscript and all royalties, which will be directed to a reconciliation fund benefiting the Teme-Augama Anishnabai.

The Municipality has a New Official Plan

continued from page 1

Below is the excerpt from the relevant section of the approved Plan:

"F.2 SHORELINE VEGETATIVE BUFFER

F.2.1 General Policies

F.2.1.1 A shoreline vegetative buffer is an area of natural vegetation or enhanced vegetation that provides separation from a lake towards a dwelling. The vegetative buffer extends from the shoreline to the front wall of the main building on the lot, or extends back from the shoreline a distance equal to the minimum front yard setback for the main building on the lot, or a minimum of 30 metres from the shoreline, whichever distance is greater unless otherwise justified through an Environmental Impact Statement. The vegetative buffer is comprised of all vegetation including, but not limited to grasses, shrubs, bushes, and trees.

F.2.1.2 It is the intent of this Plan that all vegetation in the shoreline vegetative buffer be preserved and maintained in its natural state, with the exception of hazardous vegetation from a safety and fire-safety perspective. The purpose of the shoreline vegetative buffer is to screen the view of buildings and structures on the lot from the water and to help mitigate potential impacts on water quality and fish habitat. This policy should not be interpreted as precluding development within the shoreline activity area in accordance with the policies of this Plan and the provisions of the Zoning By-law ..."

It is understood that several of the changes requested by others in the Municipality were not addressed – for example, some submitted by the Teme-Augama Anishnabai and Temagami Augama Anishnabek (Temagami First Nation). The Municipality is following up with the Province on this.

Next, the approved Official Plan requires an updated Zoning By-law for its policies to be implemented. Revisions are required to take place within three years of the Plan's approval. It will be Council's decision on whether or not to get an early start with consultation this summer – when seasonal residents are present – or defer this entirely to the new Council for action in 2027. Until replaced, the (old) Zoning By-law is still in place. However, since the new Official Plan is now in effect, any zoning amendments must conform to it as per the Ontario Planning Act.

It is expected that the final, approved Official Plan will be posted on the Municipality of Temagami's website by the time of publication. Once available, the finalized OP will also be posted on the TLA website.

For the land. For the water. For each other.

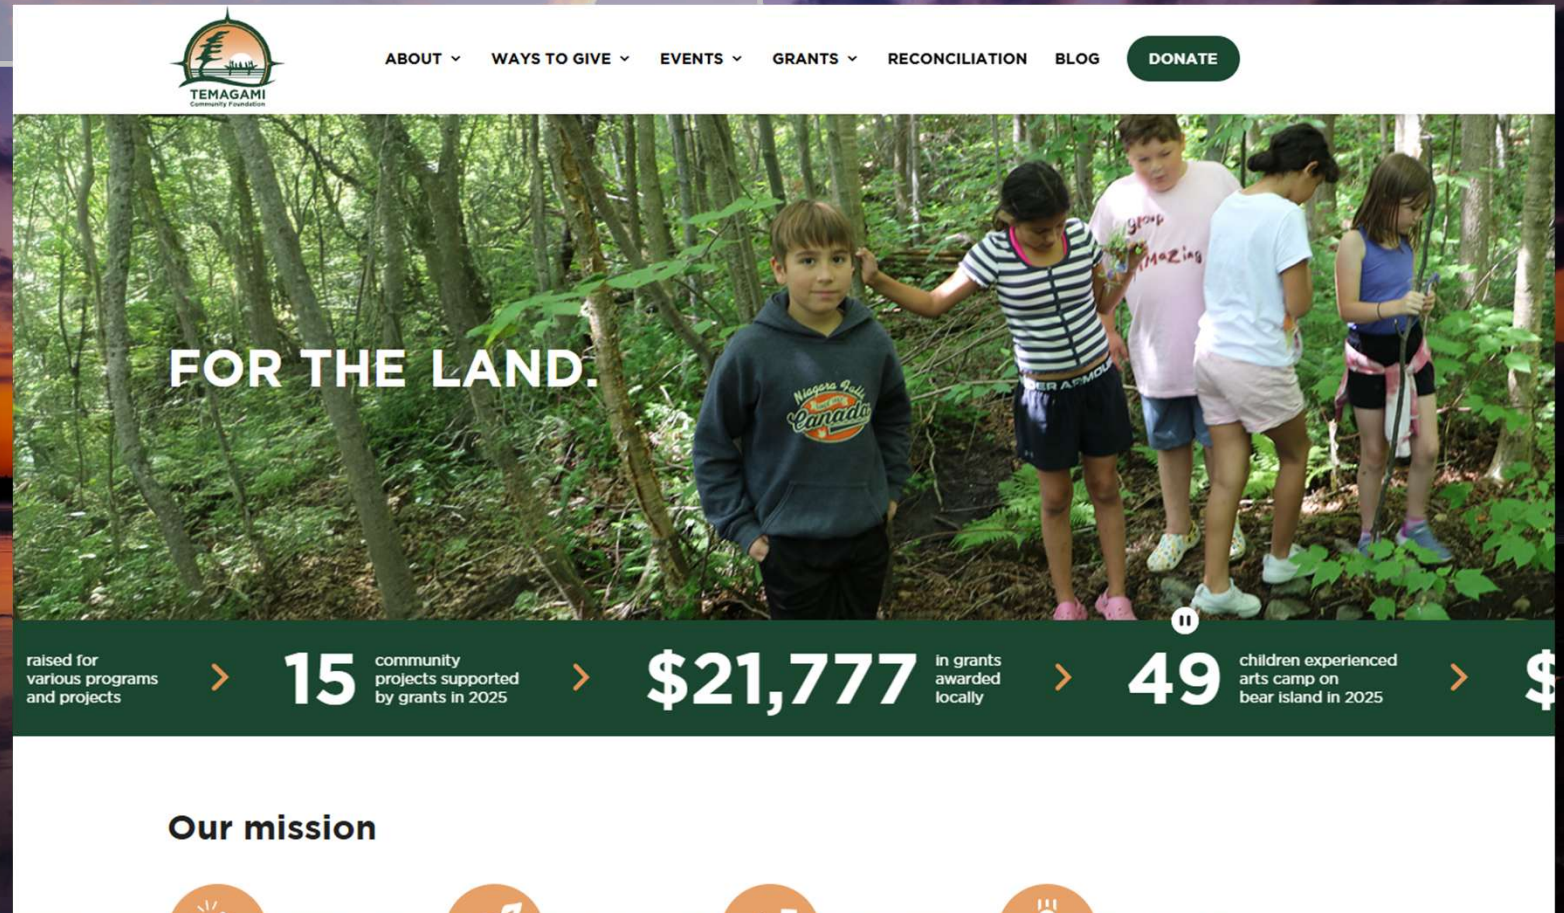

When you give to the Temagami Community Foundation, your donation becomes part of an enduring fund that supports local projects, programs, and initiatives year after year.

🌍 Earth Day is April 22!

It is a moment to reflect on the importance of caring for the land, the water, and the natural spaces that sustain us, here in Temagami and beyond!

It's also a reminder that stewardship isn't just for one day, but it is something we carry with us every day.

To celebrate, we've created a special Earth Day colouring page inspired by Temagami's forests, lakes, and wildlife. It is a fun way to spend time with your kids while starting conversations about why protecting these places matters.

🖨️ Print it out and colour together! Feel free to post pictures of your creations in the comments 🌱

For the land. For the water. For each other.

Link to a PDF version of the colouring page for <https://www.temagamicommunityfoundation.ca/content/uploads/2026/04/Earth-Day-Colouring-Page.pdf>

FOR THE LAND.
FOR THE WATER.
FOR EACH OTHER.

🌱 Thank you, our beautiful Temagami community! This Earth Day, our community showed up in big and small ways — from community cleanups to quiet moments spent caring for the land. Every hour mattered.

This is what stewardship looks like.

Let's carry this forward — not just on Earth Day, but all year round!

Caring for the land. Respecting the water. Looking out for one another.
